

Physiotherapy Position

Neurospace is seeking a physiotherapist with a passion for making a difference in the lives of people with complex problems. Neurospace offers an exciting, dynamic and supportive environment to work with people across the age spectrum. Mentoring and support is given throughout training and skill development. There is considerable autonomy and capacity for development of individual interests.

Neurospace offers you an exceptional workplace with an enormous variety of clients from:

- *Acute and chronic neurological conditions*
- *Dizziness and vestibular problems*
- *Paediatrics(developmental problems)*
- *Long standing movement difficulties*
- *Aged care and falls prevention.*

Your workplace may include:

- Treatment rooms in Chifley or North Lyneham
- Home visits
- Aged care facilities

Your duties may include:

- Individual assessment, treatment and community liaison. Treatment involves traditional rehabilitation, as well as orthopaedic management as needed.
- Aquatic therapy
- Manual Handling training for nursing/carer staff
- Implementation of falls minimization programs
- Group work

Start date and hours can be negotiated, with pay rates and conditions in accordance with the "Health Professionals and Support Services Award 2010". Extra training allowances available, uniform provisions and other benefits.
